

CHRISTMAS HILLS
PRIMARY SCHOOL

WHERE LEARNING IS AN ADVENTURE

Message from Jacqui

What an incredible day we had today for Multi-cultural Day. Congratulations to each and every student and their families for an amazing showcase of student learning. The quality of the presentations was astounding and truly demonstrated the amazing learners we have at CHPS. This event was a wonderful celebration of our inclusive culture. Students and their families worked hard to research and visually present a project, sharing their excitement for learning with each other. The community lunch was a terrific way of coming together to share a meal and taste some things we may not have tried before. Well done Everyone! A special thanks to the PFA who organized this fabulous event which I am sure will become a regular event on the CHPS calendar as we move forward.

As a further visual acknowledgement for our school's commitment to providing a culturally safe students we were very excited to also fly the Australian, Aboriginal and Torres Strait Islander flags on our new flag poles at the front of the school. This has been long awaited and is a visual way of showing our commitment to a respectful and inclusive school culture.

Term Four
25th November, 2022

Important Dates for Term 4

Dates to Remember

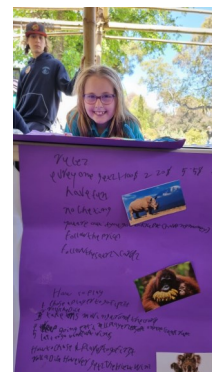

- December 8th - End of year fun day
- December 9th - Curriculum Day
- December 15th - Graduation & Production
- December 19th - Christmas Carols
- December 20th - Last Day of School -1.30pm dismissal

Also, thanks to the Christmas Hills CFA for their assisting our school as we prepare for the summer ahead. They joined us for a fire drill where students and staff practiced the process of moving to our shelter in place (art room). Everyone did a fantastic job of moving calmly and safely around the school and carefully following the directions of the staff and CFA. The students then had a chance to explore the fire trucks and of course had a go at spraying water. Always a highlight. Our very generous members of the Christmas Hills CFA then stayed on to support a parent information session regarding the FDR system and our schools Emergency Management Plan during bushfire season.

On Friday a few of us went to the Zoo to a Fighting Extinction Showcase. We entered a STEM competition and submitted Board Games that would help raise awareness and give tips to the public on how to save endangered species. When we got to the Zoo we heard inspiring speeches from Murrindindi an Aboriginal Elder, Jenny Gray the Head of Zoos Victoria and Simon Rawson one of their educators. After that we presented the amazing work we'd done sharing it with the public and Zoos Staff. Some of the feedback was incredible with our students being told their work was good enough to be published into actual board games! We were then able to explore the zoo and got to see some elephants, reptiles and orangutans. It was an amazing experience and all of the students represented their respective schools fantastically. Check out a video of the experience here:

CHRISTMAS HILLS PRIMARY PRESENTS

ALICE IN WONDERLAND

DECEMBER 15TH, 2022

5:30 PM

1409 ELTHAM-YARRA GLEN RD, CHRISTMAS HILLS VIC 3775

Dear Christmas Hills Primary School

Sugarloaf reservoir is one of the best kept secrets in Nillumbik and is a great place to visit and sail. Being land-locked and patrolled it is one of the safest places to learn to sail. Sugarloaf Sailing Club has a program designed to encourage everyone to sail. Both adults and children can join the Fleet 101 as family members or as individuals.

Sugarloaf Sailing Club runs a weekly program for sailors from 8 years and up during the warmer months. This is a great way to get into and learn sailing. The Club is currently running its Fleet 101 sailing training session on Saturday mornings, called Fleet 101. This is run by an experienced sailing instructor who has been running these sessions for many years. Our aim is for students to be able to handle a sailing boat with confidence and to enjoy sailing. We do this through on water training, coaching and experience.

Capacity is 10 students, training boats and life jackets are provided. Students can be from 8 Years of age up to adults. This is a perfect sport that the family can enjoy together. If you would like more information about Sugarloaf's sail training programme or want to enrol in Fleet 101, please call the club secretary Geoff Carter on 0477 889730

The total training cost is a student membership, which is \$106. There are also family memberships available. (More details on website Sailsugarloaf.com)

The membership also covers free access to the patrolled reservoir and all sailing club facilities on all sailing days.

Unlimited, free training in our formal courses and our 'Fleet101' Saturday morning sessions or by pre-arrangement with a personal coach or all the above.

Unlimited, free use of the club fleet comprising a range of catamarans and dinghies.

Free advice and assistance from our specialist boat maintenance crew.

Access to the Club's store of spare boat fittings, lines, spars, and tools.

The right to, from time to time, bring guests to the Club.

Fair weather sailing often takes place on Sundays with usually a BBQ available with the picnic facilities and can be a fantastic family day out.

Sailing is a great sport but it can also be a lifestyle, a profession and a way of thinking.

Kind regards

Steve Jenkinson
