

## Message from Jacqui

This week is camp and the Bunjil students are having a terrific time. They are facing new challenges, learning new skills, meeting new friends and getting very dirty. Lots of fun and making memories. It has been a long time between school camps due to the challenges over recent years. Great to see kids back at camps as they really are a wonderful learning opportunity with many life skills being developed.

While we are away in Kyneton some of the students at school have been preparing for their future camps with a 'camp at school program'.
